A comprehensive [menu](#) of Passatempo Taverna from [Walla Walla](#) featuring all 81 dishes and drinks can be found here on the menu. The restaurant, located in a convenient downtown location, offers a charming private courtyard for diners. While the gluten-free crab penne was lacking in portion size compared to the regular crab pasta, the food overall was described as very good. The grilled asparagus, Jidori Chicken, Lamb Ragu Pappardelle, meatballs, and Rapini were enjoyed by all, though a couple of dishes were forgotten initially.

Despite longer waiting times, the restaurant's quiet atmosphere provides a great space for conversation. Reviewers praised the beautiful setting, modern Italian dishes, and delicious food, while also noting the attentive service. Though there were some minor issues with requests being forgotten and lukewarm dishes, the overall experience was positive, with the homemade pastas being a highlight. Servers were described as personable and friendly, providing excellent recommendations and making diners feel welcomed and well taken care of.

Overall, the restaurant was recommended for its ambiance, quality food, and attentive service.
