A complete [menu](#) of Embarcadero from Calgary featuring all **428** dishes and drinks can be found here on the menu. Calgary's premier oyster bar offers at least six varieties of fresh oysters from the northern Atlantic and Pacific on the half shell, including a daily featured oyster for just \$1.25. Enjoy casual small plates, pastas, beef, duck, and lamb to complement the seafood specialties as well as imaginative daily gourmet features. Wine lovers can choose from an extensive wine list and a rotating selection available by the glass or taste, all preserved for freshness with an argon system. *PLEASE NOTE* : If dining before a Saddledome event (NHL hockey game or major concert), please allow at least two hours prior to the start time of the event, or more for larger groups, to ensure you make it on time, as it can take over an hour to serve food to the last few tables.
