A **comprehensive [menu](#) of Preece's at the Jetty** from Scarborough featuring all **44** dishes and drinks can be found here on the menu. A popular restaurant in a beautiful seaside location has left customers with mixed reviews. While some have praised the quick service and friendly staff, others have experienced issues such as cold food, slow service, and overlooked surcharges. However, overall, the majority of patrons seem to appreciate the delicious food, including a range of hot and cold dishes, along with great coffee and cakes. Despite some hiccups, many customers plan to return due to the courteous and friendly service they received. It seems that while there may be some room for improvement, the restaurant's beautiful setting and tasty meals make it a favorite spot for many.
