Here you will find the [menu](#) of **Restaurant Di Menna** in E Montreal. At the moment, there are **109** dishes and drinks on the menu. The restaurant Di Menna has been a staple since 1977, with the same unchanged exterior. While the space may seem slightly smaller, the excellent pizza and attentive service make up for it. Prices for a large pizza and a bottle of Chianti were reasonable, although there were some disturbances from unruly children at nearby tables. Some patrons found the food to be underwhelming for the price, while others praised the impeccable service and delicious dishes. Overall, Di Menna seems to have a loyal fan base who appreciates the friendly staff, great ambiance, and generous portions at a reasonable price.
