A complete [menu](#) of Seaside from Salt Spring Island featuring all **33** dishes and drinks can be found here on the menu. Seaside Restaurant is a popular spot recommended by local staff for its fresh seafood and charming ambiance. The halibut and chips are a standout dish, but some diners noted slow service as a drawback. The mussels were a disappointment for one guest, while another enjoyed the calamari. The view from the patio is stunning, but the prices may not be worth it for some. Despite a barking dog outside, the overall experience was positive with excellent calamari and fish and chips. Seaside is a hidden gem away from touristy areas, with friendly staff and delicious food. Reservations are recommended, especially during busy summer weekends. Overall, Seaside is a cozy spot for a nice meal with great waterfront views.
