Here you will find the [menu](#) of **The Knowlton Pub** in [Lac-Brome](#). At the moment, there are **45** dishes and drinks on the menu. The Knowlton Pub has reopened for the summer season, but recent reviews are mixed. While some enjoyed the cabaret-style play and friendly service, others complained about slow service, uncleanliness, and flies in the restaurant. The outdoor area was praised for its nice patio and good food options, like the pulled duck pizza. Overall, the Pub seems to have potential but needs improvement in terms of customer service, cleanliness, and speed of service. It's recommended to call ahead or visit on a weekday if you plan to dine here.
