Here you will find the [menu](#) of **Joey's Pub & Eatery** in Bathurst. At the moment, there are **57** meals and drinks on the menu. Joey's offers a mixed dining experience, with some diners experiencing both food and service issues, while others raved about the seafood options and attentive servers. The menu seemed hit or miss, but most agreed that the atmosphere was pleasant and the staff friendly. The bar had a good selection, but some were disappointed by the lack of local beers on tap. Overall, Joey's seems to cater to a variety of tastes, with good pub food and seafood dishes being the standouts. An ideal spot for those looking for a casual dining experience with a decent selection of dishes to choose from.
