Some customers have noted issues with customer service, slow seating, and average food quality, with a stagnant menu that has not evolved over time. Others have enjoyed the large portion sizes, good coffee, and quick service. Despite the hype, some found the prices overrated compared to nearby cafes. Dishes were criticized for looking better than they tasted, with some being too oily or having strong flavors. However, the cafe's wide selection, efficient staff, and tasty poached eggs on sourdough drew positive recommendations. Overall, the restaurant seems to have mixed reviews but has potential for a satisfying dining experience.
