The restaurant from ROMFORD offers **149** different **dishes and drinks on [the menu](https://menuweb.menu)** for an average price of £13. This hidden gem offers a lovely location with a nice ambiance to enjoy tasty food, though some felt the portions were small for the price. The service was generally good, with the exception of occasional delays due to understaffing. The restaurant seems ideal for a midweek visit to avoid weekend crowds, and the set menu offers a good selection at reasonable prices. Outdoor dining is recommended for a less busy experience. The spacious indoor and outdoor seating areas, along with friendly staff, make it a great local spot. The Christmas lunch was delicious, though some found the portion sizes lacking and were surprised by unexpected service charges. Visitors raved about the delicious food and friendly staff, making it a place they would happily return to. Overall, a cozy and inviting spot for a tasty meal with friends.
