On this webpage, you will find the **complete menu** of Cedars from [Cornwall](#). Currently, there are **27** meals and drinks available. Cedars, located in the food court at Cornwall Square, offers a Subway-style setup for shawarma and gyros. The chicken was fresh but the meat somewhat dry. The garlic sauce was really just garlic mayo, and the combo with potato wedges was underwhelming. Despite inconsistencies in flavors, the food is affordable, fresh, and the owner greets customers with a smile. The portions are generous, staff pleasant, and quality great, making it a popular choice for office lunches. Customers appreciate the warm chicken Caesar salad and falafel, making Cedars a go-to spot for a quick, satisfying bite.
