The place from Wimbledon offers **212** different **dishes and drinks on [the menu](https://menuweb.menu)** for an average price of £8. Overall, the reviews for this restaurant are mixed. While some guests enjoyed the cocktails, atmosphere, and excellent service, others were disappointed with the food quality and long wait times. The menu offered a variety of options, including vegan dishes, but some felt the prices were a bit high for what was served. Despite some hiccups, the overall consensus was that The Ivy Wimbledon Village is a great spot for a special occasion or a nice meal out.
